

(Material) Safety Data Sheet Authoring

(M)SDS Authoring and Label Creation

ChemADVISOR's expert staff is fully versed in the (M)SDS requirements for the regulated regions of the world. This knowledge can be harnessed to work within the authoring system of the customer's choice to create documents compliant with global standards, including:

- ISO 11014-1 (European Union)
- Globally Harmonized System (GHS)
- ANSI Z400.1 (United States)
- WHMIS (Canada)
- Japan
- China
- Mexico
- Australia
- South America
- and more

Platforms

ChemADVISOR can author documents in any software platform or in ChemSDS+, ChemADVISOR's own (M)SDS authoring platform

Templates

ChemADVISOR can create sample "templates" according to your specific country and company requirements, or audit your existing templates

Translations

After we create your (M)SDS, we can have it translated in context by native speakers.

Spanish - German - Dutch - Italian - Portuguese - French
Japanese - Chinese - Korean - Eastern European

Confidentiality

ChemADVISOR will perform work with sensitivity to the customer's confidentiality requirements. A non-disclosure agreement will be signed per the customer's request.
